

## CodiEsp submission step by step

1. Prepare a **ZIP file for each subtask** you are participating in.  
Each ZIP file must include all the prediction files (up to 5) and a text document explaining who you are (registration name, registration mail, etc).  
Please, **check prediction file formats** at <https://temu.bsc.es/codiestp/index.php/submission/>
2. Access <https://easychair.org/conferences/?conf=clefehealth2020runs>

Log in to EasyChair for CLEFeHealth2020runs

User name:

[Problems to log in?](#)  
[Create an account](#)

Submission of new papers for CLEFeHealth2020runs is open.

3. Introduce your EasyChair **user name and password** (you may need to create a user, if you do not have one) and click Log In.

CLEFeHealth2020runs (CLEFeHealth2020-result/run-submission)

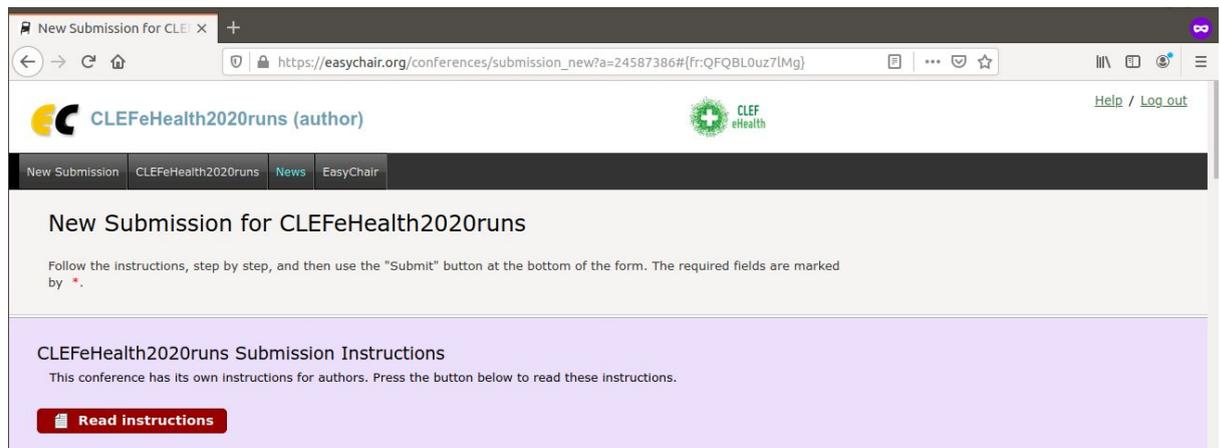

You are logged in to CLEFeHealth2020runs (CLEFeHealth2020-result/run-submission).

You have no roles at CLEFeHealth2020runs.

This conference accepts new submissions. You can log in as an author to make a submission:

- [enter as an author](#)

4. Click **enter as an author**.

5. Fill in the **Author information**.

**Author 1** ([click here to add yourself](#))

First name†:

Last name \*

Email: \*

Country/region: \*

Organization: \*

Web page:

corresponding author  
 presenter

6. Fill in the **TITLE**. It MUST include your **registration team name** and the subtask you are submitting to (see example in the picture). If you do not remember your registration team name, email me at [antonio.miranda@bsc.es](mailto:antonio.miranda@bsc.es)

**For all submissions, you MUST use your registration name.**

**Title**

The title should be entered as plain text, it should not contain HTML elements.

Title: \*

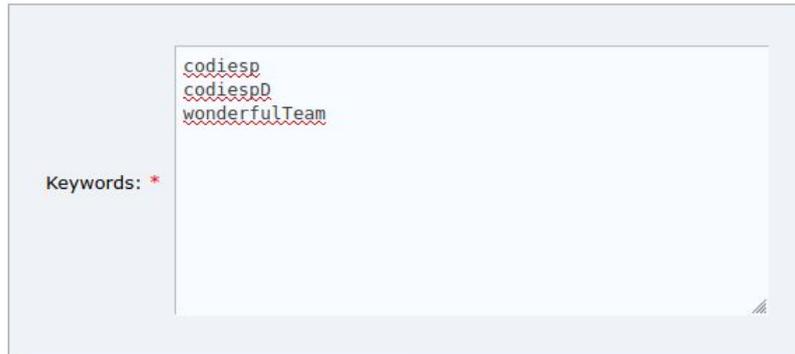

7. Fill in the keywords.

### Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords: \*

```
codiesp
codiespD
wonderfulTeam
```

8. Select the **Subtask** you are submitting to.

**Select only one Subtask at a time.**

### Topics

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submissions to reviewers and for conference analytics. You must select exactly one topic.

**Task 1. Multilingual Information Extraction**

CodiEspD:Diagnostic       CodiEspP:Procedure

CodiEspX:Explainability

**Task 2. Consumer Health Search**

AdHocIR       SpokenQueriesUsingTranscriptions

SpokenQueriesUsingAudioFiles

9. Upload the **ZIP** file of the subtask and click **SUBMIT**.

Files

**Result/run submission.** \* Upload your submission. The paper must be in ZIP format (file extension .zip)

No file selected.

Ready?

If you filled out the form, press the 'Submit' button below. **Do not press the button twice: uploading may take time!**

10. Repeat the steps to submit your results for another subtask.

**Note: The CodiEsp track is technically very similar to the CLEF BioASQ Mesinesp track** (instead of indexing with ICD10/CIE10, it requires indexing with the Spanish version of MeSH terms called DeCS, see: <https://temu.bsc.es/mesinesp/>).
